

Construction Team Member

We are looking for hardworking individuals interested in park and playground construction for the 2021 construction season.

The work includes:

- 1) Commercial playground installation
- 2) Spray Park and aquatic equipment installation
- 2) General landscaping and construction
- 3) Poured-in-place rubber surface installation

Work is located at various locations across Alberta.

Required skills:

- Experience in construction and an aptitude for solving problems
- Willingness to work long hours as required
- Safety program participation
- Willing to travel and stay out of town
- Have reliable transportation and a suitable driver's license
- Have a mobile phone for communicating with other team members

Other Skills

- Concrete forming and pouring
- Rubber surfacing installation
- Equipment operating skills – bobcat, mini hoe, backhoe, 1-ton truck and trailers
- Related trade experience
- Direct experience in the recreational construction industry
